COMMONLY USED PHRASES AND WORDS

A A A A ...

Acute Illness—An illness that has occurred suddenly and may be serious.

Activities of Daily Living (ADL)—Behaviors necessary for self care.

Adaptive Behavior—Use of basic skills in daily life activities.

Adult Service Agency—Federal, state or locally funded agency (with written policies and procedures) that provides services to adults and children (i.e., Division of Developmental Disabilities (DDD); Division of Vocational Rehabilitation (DVR); Public Assistance (Welfare); Women, Infants and Children (WIC); Employment Security, etc.).

Ambulatory Care—Health services that are provided without an overnight stay in a health-care facility.

Ancillary Services—Miscellaneous tests, such as laboratory or radiological exams.

Assistive Technology Device—Any item or piece of equipment that is useful to increase, maintain, or improve abilities of individuals with disabilities.

B B B B ...

Basic Health Plan (BHP)—Managed care plan available through the State of Washington to any individual or family. Premiums can be subsidized by the state, based on income and need.

Basic Health Plan/Plus (BHP/Plus)—Basic Health Plan for eligible children that provides its benefits through Healthy Options/Medicaid.

C C C C ...

Case Management—The process of having a person's health-care needs coordinated by using an ongoing plan.

Case Manager—Individual who arranges services, ensures that clients progress through the process, completes reviews, and (may) maintain fiscal responsibility.

Coinsurance—A percentage (often 20%) that an insured person pays for a visit to a physician or other health care provider, a hospital stay or treatment.

Community Based Programs—Programs for individuals with disabilities that are located within the individual's community.

Community Resources—Public or private agencies, schools or programs offering services to people.

Concurrent Review—A review by an insurer at the time of service to verify that a patient needs continued inpatient care.

Copayment—A fixed dollar amount the recipient pays for health-care services at the time of receiving the service.

Curriculum-Based Vocational Assessment (CBVA)—Various tests to determine the career development and vocational instruction needs of students based on preferences in course content and curriculum; identification of students' career/vocational strengths and weaknesses.

D D D D ...

Deductible—The amount of money an insured person pays for services before the insurer starts paying the bill.

Diagnosis—Identification of a disease producing a specific condition.

Diagnostic Services—Procedures to determine the presence of a health condition.

Durable Medical Equipment (DME)—A long-lasting medical supply, such as a wheelchair.

E E E E ...

Elective Procedure—A procedure that isn't an emergency and that a patient and doctor plan in advance.

Emergency—An injury or acute medical condition likely to cause death, disability, or serious illness if not attended to very quickly.

Employability—Factors that determine whether an individual can be placed on a job and whether the individual can keep the job

once placed.

Exclusions—Health conditions that an insurance policy specifically doesn't cover.

F F F F ...

Functional Living Skills Assessment—Skills, interests, and values related to functioning in the home and community.

G G G G ...

Gainful Employment—Includes employment in one of the following: Competitive labor market, supported employment, sheltered employment, or homebound work. Work is performed for living wage and typical benefits.

Medically Necessary—Services required to prevent harm to the patient or to the patient's quality of life.

N N N N ...

Non-Participating Provider—A provider who isn't part of a specific health plan.

O O O O ...

Outcome Oriented—A measurable skill at the end of a set period of training.

P P P P ...

Placement Specialist—Professional who assists in job placement.

Pre-Admission Review—A review undertaken by a health plan that happens before a patient enters a hospital to determine if the admission is necessary and appropriate.

Pre-Certification—Similar to pre-admission review but requires a certificate or authorization from the patient's health plan.

Pre-Existing Condition—A health condition that a person has that an insurance policy specifically excludes from coverage or that prevents the person from qualifying for insurance.

Preventive Care—Health care that stresses healthy behavior, regular testing, screening for diseases, and other services that detect diseases early or or prevents them from occurring.

Primary Care—First-level or generalist care that a person receives outside a hospital.

Primary Care Physician (PCP)—The health-care provider a person

most commonly calls first when a problem arises.

Prior Authorization—A cost-control procedure in which an insurer requires a service or medication to be approved in advance for coverage.

Provider—A person or an institution that delivers a service.

R R R R ...

Referral—When one health-care provider suggests you visit another one for the purpose of further evaluation and treatment.

S S S S ...

Screening Test—A procedure to determine if a person has a certain medical condition.

Secondary Care—Care, often provided in hospitals and long-term facilities, that makes more use of caregivers with specialized training than does primary care.

Self-Referral—When a health-care provider stands to benefit financially from referring a patient to another provider for care.

Service Area—The geographic area a health plan serves.

Sheltered Workshop—Provides transitional and/or long-term employment in a controlled and closed working environment. It may provide vocational evaluation, work adjustment, and supported employment service.

Social Security Disability Insurance (SSDI)—benefits provided to disabled and blind individuals who are “insured” by workers’ contributions to the Social Security Trust. The worker’s widower or worker’s adult child with a disability may also receive a benefit.

Specialist—A physician whose training focuses on a particular area beyond the general training for all physicians.

Supported Employment—Paid employment for individuals with severe disabilities. All supported employment programs take place in integrated settings with on-going job site support provided by professional staff in integrated community based employment setting.

Supplemental Security Income (SSI)—cash assistance program to aged, blind and individuals with disabilities including children under 18 who have limited income and resources.

T T T T ...

Task Analysis (TA)—The breakdown of a particular job into its component work activities.

Tertiary Care—Highly specialized care for severe health problems.

U U U U ...

Utilization Management—The process health plans and insurers use to make sure the kind of treatment and care recommended for a patient is necessary and appropriate.

Thank You . . .

To the Kitsap County Board of Commissioners for their support of persons with special needs in Kitsap County.

To the members of the Kitsap County Developmental Disabilities Advisory Board for their support.

And to the Kitsap County Developmental Disability staff for their assistance in completing this guide and distributing it to those that most need this information.
