- Policy: Cross System Working Agreement

PURPOSE

The Salish Behavioral Health Organization (SBHO) shall ensure the oversight and coordination of medically necessary behavioral health services for persons with disabilities. Coordination of care will promote reintegration, recovery and resiliency through continuity of service delivery and quality improvement.

DEFINITIONS

The SBHO defines disabled as an individual with a disability other than a behavioral health illness, including a developmental disability, serious physical handicap, or sensory impairment.

PROCEDURE

1. When SBHO behavioral health services are requested for a person with a disability, the SBHO and the network providers shall outreach and gather the necessary information from:
 - The individual

- With permission from the individual, family members and/or caregiver
 - Developmental disabilities case manager, if applicable
2. When SBHO behavioral health services are provided for a person with a disability, the SBHO and network provider are responsible to coordinate care with the following entities, as they apply to individual cases:
 - Other Network Mental Health Care Professionals
 - Other Out of Network Mental Health Care Professionals
 - Mental Health Specialists
 - Chemical Dependency Professionals
 - Allied System Providers
 - Schools
 - Primary Medical Care Provider
 3. The coordination of care process shall include identification, assessment, treatment planning and direct access to specialists.
 4. To effectively promote and facilitate coordination of care for persons with disabilities, the SBHO shall maintain working agreements with the following allied system providers:
 - Developmental Disabilities Administration (DDA) – Adult & Child
 - Division of Child and Family Services (DCFS)
 - Children’s Long-term Inpatient Program (CLIP)
 - Juvenile Rehabilitation Administration (JRA)
 - Division of Vocational Rehabilitation (DVR)
 - Tribes
 5. The SBHO shall maintain and distribute to the network a directory of Mental Health Specialists and Chemical Dependency Professionals available to provide consultation for behavioral health services to special populations. Recommendations from specialist consultations shall be incorporated into treatment planning and service delivery.
 6. Services provided to individuals with a developmental disability must be in consultation with a developmental disability behavioral health specialist.

MONITORING

This Policy is mandated by statute.

1. This Policy will be monitored through use of SBHO:

- Annual SBHO Provider and Subcontractor Administrative Review
 - Annual Provider Clinical Chart Review
 - Grievance Tracking Reports
 - Biennial Provider Quality Review Team on-site review
 - Quality Management Plan activities, such as review targeted issues for trends and recommendations
2. If a provider performs below expected standards during any of the reviews listed above a Corrective Action will be required for SBHO approval. Reference SBHO Corrective Action Plan Policy
