

POINT NO POINT PARK HABITAT RESTORATION

**RESTORING THE
TIDAL
CONNECTION TO
THE HISTORIC
MARSH AT POINT
NO POINT.**

**FOR SALMON.
FOR THE SOUND.**

Mid Sound Fisheries is working with Kitsap County Parks to reconnect the Point No Point marsh to the tides of Puget Sound, restoring critical historic habitat for salmon and other wildlife.

We'd like your feedback on our project ideas. We will be hosting a zoom meeting for your neighborhood **May 4 and May 12**. Please join us!
