With funding for the purchase, and implementation of upgraded personal Tactical Ballistic Protection body armor for our Sheriff's Office SWAT Team members. We will add to their capabilities and be able to respond to community needs and policing programs that focus on problem solving. We will use FY2020 JAG funding to purchase upgraded Personal Tactical Ballistic body armor for improved personal ballistic protection for our SWAT Deputies when responding to high risk	

situations such as an active shooter. The acquisition of Personal Tactical Ballistic body armor will help us ensure that every first responder will be issued personal ballistic protection that are consistent with industry standards and will replace our current Tactical Vests which have reached their life expectancy. With our current budget constraints, it's critical for the Kitsap County Sheriff's Office to acquire new technology through the Edward Byrne Memorial JAG Program FY2020 Local Solicitation.
