3. NASPO VALUEPOINT PROGRAM PROVISIONS

3.1. Price and Rate Guarantee Period

- 3.1.1. The Price List(s) in Exhibit A (Price Lists), identifies a complete listing of all Products and Services the Contractor can provide under this Master Agreement, with the exception of NSP Items.
- 3.1.2. MSRP/List Price discount percentages must be guaranteed throughout the term of this Master Agreement, including any renewal terms, however, Contractor may increase its discount percentage at any time. The Lead State must be notified of any such discount percentage increase, and provided with a copy of the new Group Price List(s).
- 3.1.3. MSRP/List Price shall remain firm during the first twelve (12) months of the Master Agreement. After this period, Awarded Vendors may update their MSRP/List Price on a quarterly basis, according to the following guidelines:
- All requested price increases must include documentation from Direct Material suppliers detailing cost escalations, and Awarded Vendors must describe how those escalations impact current Product offerings.
 - With the exception of Direct Material cost increases, no price increase requests will be allowed.
 - Updated Price Lists must be submitted to the Lead State by the 1st day of each quarter.
 - Pricing will not go into effect unless, or until, it is approved by the Lead State.
- 3.1.4. The Master Agreement pricing IS Ceiling Pricing. Contractor may offer lower pricing on a per Order basis to Purchasing Entity's. Likewise, Purchasing Entity's may request lower pricing on a per Order basis from Contractor.

- 3.1.5. Contractor may offer state-wide promotional discounts, customer location specific discounts, bulk discounts, or spot discounts. Contractor must notify the Participating State or Entity Contract Administrator of special state-wide promotional discounts.
- 3.1.6. Any revisions to Product offerings (new Products, altered item or model numbers, etc.) must be pre-approved by the Lead State, and will be allowed once per month.

- 3.1.8. Any Product additions must be updated with Buyer's Lab within ninety (90) days of submission to the Lead State. Failure to adhere to this requirement will result in the Product(s) being removed from the Master Agreement Price List(s) until such time as they can be verified on Buyer's Lab.
- 3.1.9. Updates to lease and rental rates must be submitted by the 1st day of each quarter.
- 3.1.10. Price Lists received after the 1st of the month may not be approved for up to thirty (30) days following submission. In addition, errors in the Contractor's Price Lists may delay the approval process further.
- 3.1.11. All approved Price Lists will be submitted by the Lead State to NASPO ValuePoint. Contractor shall then update all applicable websites with the new Price Lists after the NASPO ValuePoint website has been updated.
- 3.1.12. All-inclusive Cost Per Copy (CPC) programs may be offered upon request by the Participating State or Entity, but pricing must not exceed Master Agreement pricing. Contractor must provide the Participating State or Entity with their pricing breakdown which enables the Participating State or Entity to easily compare the pricing in the CPC structure against the pricing in this Master Agreement.
- 3.1.13. Pricing must include all standard shipping, delivery, and installation costs associated with the Product. Excess installation charges or expedited shipping however, may be billable. Refer to §4.9.5 for more information.
- 3.2. **Participating and Scope**
- 3.2.1. Contractor may not deliver Products or perform Services under this Master Agreement until a Participating Addendum acceptable to the Participating State or Entity and Contractor is executed. The NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating State or Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum. By way of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating State or Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g. Order) used by the Purchasing Entity to place the Order.
- 3.2.2. Use of specific NASPO ValuePoint cooperative Master Agreements by state agencies, political subdivisions and other Participating States or Entities authorized by individual state's statutes to use state contracts are subject to the approval of the respective State Chief Procurement Officer. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Officer.

- 3.2.3. Obligations under this Master Agreement are limited to those Participating States and Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. Financial obligations of Participating States and Entities are limited to the Orders placed by the departments or other state agencies and institutions having available funds. Participating States incur no financial obligations on behalf of political subdivisions. Contractor shall email a fully executed PDF copy of each Participating Addendum to PA@naspovaluepoint.org to support documentation of participation and posting in appropriate data bases.
- 3.2.4. Participating States and Entities may, through a Participating Addendum, limit:
- Available financial vehicles;
 - Device Groups, Segments, Products, Services (including MPS); and
 - Any additional items as deemed necessary by the Participating State or Entity.
- 3.2.5. A Participating State or Entity must sign a new Participating Addendum with Contractor, regardless of whether Contractor has signed Participating Addenda under a prior Master Agreement(s).
- 3.2.6. NASPO Cooperative Purchasing Organization LLC, doing business as NASPO ValuePoint, is not a party to this Master Agreement. It is a nonprofit cooperative purchasing organization assisting states in administering the NASPO ValuePoint cooperative purchasing program for state government departments, institutions, agencies and political subdivisions (e.g., colleges, school districts, counties, cities, etc.) for all 50 states, the District of Columbia and the territories of the United States.
- 3.2.7. Participating Addenda shall not be construed to amend the following provisions in this Master Agreement between the Lead State and Contractor, and any such language shall be void and of no effect:
- Term of this Master Agreement;
 - Amendments;
 - Participants and Scope;
 - Administrative Fee;
 - NASPO ValuePoint Summary and Detailed Usage Reports;
 - NASPO ValuePoint Cooperative Program Marketing and Performance Review;
 - NASPO ValuePoint eMarket Center;
 - Right to Publish;
 - Price and Rate Guarantee Period; and
 - Individual customers.
- 3.2.8. Participating Entities who are not states may under some circumstances sign their own Participating Addendum, subject to the approval of participation by the Chief Procurement Officer of the state where the Participating Entity is located. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists in the Participating Entity; they must ensure that they have the requisite procurement authority to execute a Participating Addendum.

- 3.2.9. Purchasing Entities may not Resell Products.** This limitation does not prohibit the following; however, any sale or transfer must be consistent with license rights granted for use of Intellectual Property:
- a) Payments by employees of a Purchasing Entity for Products;
 - b) Sales of Products to the general public as surplus property; and
 - c) Fees associated with inventory transactions with other governmental or non-profit entities, and consistent with a Purchasing Entity's laws and regulations.

3.3. Administrative Fees

- 3.3.1. The Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter.**
- 3.3.2. The NASPO ValuePoint Administrative Fee is not negotiable.**
- 3.3.3. The Contractor shall report on all actual Equipment sales, and on estimated Service and Supply sales. This method will no longer require the Contractor to capture the actual Service and Supply revenues that are billed to the customer each month.**
- 3.3.4. Industry research has shown close to a 1:1 ratio between sales price on a piece of Equipment and the actual amount of Service and Supply costs required to operate that Equipment over its Useful Life. Therefore, to simplify the reporting process and remove the burden to capture the actual Service and Supply costs, the Contractor shall report as follows:**
- a) **Purchased Equipment:** Contractor shall report the actual amount invoiced (less any taxes) for all Equipment sold under the reporting period (calendar quarter). In addition, the Contractor shall report an additional amount equal to the invoice amount and identified as "Estimated Service and Supplies" providing the customer elects to enter into a Maintenance Agreement. Thus, in the Contractor's Detailed Sales Report, for each item sold, there will be two-line items: one for the piece of Equipment, and one for the Estimated Service and Supplies. The amounts reflected for the Estimated Service and Supplies must be equal to the amount of the Equipment.
 - b) **Lease and Rental Equipment:** Contractor shall report sales according to the Purchased Equipment methodology described in 3.3.4(a), or they may report the actual amount invoiced (less any taxes) for the lease or rental during the reporting period (calendar quarter). In addition, the Contractor shall report an additional amount equal to the invoice amount and identified as "Estimated Service and Supplies." Thus, in the Contractor's Detailed Sales Report, for each item leased or rented, there will be two-line items: one for the invoice amount to the customer for the Equipment, and one for the Estimated Service and Supplies. The amounts reflected for the Estimated Service and Supplies must be equal to the amount of the invoiced Equipment.

Contractor shall use commercially reasonable efforts to assist Purchasing Entity in identifying and preventing any unauthorized use or disclosure of any Confidential Information. Without limiting the generality of the foregoing, Contractor shall advise Purchasing Entity, applicable Participating Entity, and the Lead State immediately if Contractor learns or has reason to

believe that any person who has had access to Confidential Information has violated or intends to violate the terms of this Master Agreement, and Contractor shall at its expense cooperate with Purchasing Entity in seeking injunctive or other equitable relief in the name of Purchasing Entity or Contractor against any such person. Except as directed by Purchasing Entity, Contractor will not at any time during or after the term of this Master Agreement disclose, directly or indirectly, any Confidential Information to any person, except in accordance with this Master Agreement, and that upon termination of this Master Agreement or at Purchasing Entity's request, Contractor shall turn over to Purchasing Entity all documents, papers, and other matter in Contractor's possession that embody Confidential Information. Notwithstanding the foregoing, Contractor may keep one copy of such Confidential Information necessary for quality assurance, audits and evidence of the performance of this Master Agreement.

6.3.3. Injunctive Relief. Contractor acknowledges that breach of this section, including disclosure of any Confidential Information, may cause irreparable injury to Purchasing Entity that is inadequately compensable in damages. Accordingly, Purchasing Entity may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Contractor acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interests of Purchasing Entity and are reasonable in scope and content.

6.3.4. Purchasing Entity Law. These provisions shall be applicable only to extent they are not in conflict with the applicable public disclosure laws of any Purchasing Entity.

6.3.5. The rights granted to Purchasing Entities, and the Contractor obligations under this section shall also extend to the cooperative's Confidential Information, defined to include Participating Addenda, as well as Orders or transaction data relating to Orders under this Master Agreement that identify the entity/customer, Order dates, line item descriptions and volumes, and prices/rates. This provision does not apply to disclosure to the Lead State, a Participating State, or any governmental entity exercising an audit, inspection, or examination pursuant to §6.2, **Records Administration and Audit**. To the extent permitted by law, Contractor shall notify the Lead State of any entity seeking access to the Confidential Information described in this subsection.

6.4. License of Pre-Existing Intellectual Property

To the extent a Product sold, leased, rented or licensed to a Purchasing Entity hereunder contains Intellectual Property not created under an Order that expressly requires Contractor to create such Intellectual Property ("Pre-existing Intellectual Property") and such Product comes with end user license document(s), such Purchasing Entity right to use such Pre-existing Intellectual Property shall be exclusively stated in such end user license document(s). To the extent a Product sold, leased, rented or licensed to a Purchasing Entity hereunder contains Pre-existing Intellectual Property and such Product does not come with end user license document(s), Contractor grants to the Purchasing Entity a non-exclusive, perpetual, irrevocable, unlimited license to use the Product in the manner and to the extent advertised by Contractor. The license shall be subject to any third-party rights in the Pre-existing Intellectual Property. Contractor shall obtain, at its own expense, on behalf of the Purchasing Entity, written consent of the owner for the licensed Pre-existing Intellectual Property.

6.5. Public Information

This Master Agreement and all related documents are subject to disclosure pursuant to the Purchasing Entity's public information laws.

6.6. Assignment/Subcontracts

6.6.1. Contractor shall not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this Master Agreement, in whole or in part, without the prior written approval of the Lead State.

6.6.2. The Lead State reserves the right to assign any rights or duties, including written assignment of Contract administration duties to NASPO Cooperative Purchasing Organization LLC, doing business as NASPO ValuePoint.

6.7. Changes in Contractor Representation

The Contractor must notify the Lead State of changes in the Contractor's Key Personnel, in writing within ten (10) calendar days of the change. The Lead State reserves the right to approve changes in key personnel, as identified in the Contractor's proposal. The Contractor agrees to propose replacement key personnel having substantially equal or better education, training, and experience as was possessed by the key person proposed in the Contractor's proposal.

6.8. Independent Contractor

6.8.1. Contractor shall perform duties as an Independent Contractor, and not as an employee. Neither the Contractor nor any employee or Authorized Dealer of the Contractor, shall be or deemed to be an employee of the Lead State, NASPO ValuePoint, and/or any Participating State or Entity.

6.8.2. Contractor acknowledges that its employees are not entitled to unemployment insurance benefits unless the Contractor or a Third Party provides such coverage, and that the Lead State, NASPO ValuePoint and any Participating State or Entity does not pay for or otherwise provide such coverage.

6.8.3. Contractor shall have no authority to bind the Lead State, NASPO ValuePoint and any Participating State or Entity to any agreements, liability, or understanding except as may be expressly set forth in this Master Agreement, Participating Addendum or an Order.

6.9. Force Majeure

Neither party to this Master Agreement shall be held responsible for delay or default caused by fire, riot, acts of God and/or war which is beyond that party's reasonable control. The Lead State may terminate this Master Agreement after determining such delay or default will reasonably prevent successful performance of this Master Agreement.

6.10. Defaults and Remedies

6.10.1. The occurrence of any of the following events shall be an event of default under this Master Agreement:

- a) Nonperformance of contractual requirements; or
- b) A material breach of any term or condition of this Master Agreement; or
- c) Any certification, representation or warranty by Contractor in this Master Agreement that proves to be untrue or materially misleading; or
- d) Institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within thirty (30) calendar days after the institution or occurrence thereof; or
- e) Any default specified in another section of this Master Agreement.

6.10.2. Upon the occurrence of an event of default, Lead State shall issue a written notice of default, identifying the nature of the default, and providing a period of thirty (30) calendar days in which Contractor shall have an opportunity to cure the default. The Lead State shall not be required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part, if the Lead State, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public crisis.

6.10.3. If Contractor is afforded an opportunity to cure and fails to cure the default within the period specified in the written notice of default, Contractor shall be in breach of its obligations under this Master Agreement and Lead State shall have the right to exercise any or all of the following remedies:

- a) Exercise any remedy provided by law;
- b) Terminate this Master Agreement and any related Contracts or portions thereof;
- c) Impose liquidated damages as provided in this Master Agreement;
- d) Suspend Contractor from being able to respond to future Solicitations;
- e) Suspend Contractor's performance; and
- f) Withhold payment until the default is remedied.

6.10.4. Unless otherwise specified in the Participating Addendum, in the event of a default under a Participating Addendum, a Participating Entity shall provide a written notice of default as described in this section and have all of the rights and remedies under this paragraph regarding its participation in this Master Agreement, in addition to those set forth in its Participating Addendum.

6.10.5. Unless otherwise specified in an Order, a Purchasing Entity shall provide written notice of default as described in this section and have all of the rights and remedies under this paragraph and any applicable Participating Addendum with respect to an Order placed by the Purchasing Entity. Nothing in these Master Agreement Terms and Conditions shall be construed to limit the rights and remedies available to a Purchasing Entity under the applicable commercial code.

6.11. Waiver of Breach

Failure of the Lead State, Participating Entity, or Purchasing Entity to declare a default or enforce any rights and remedies shall not operate as a waiver under this Master Agreement or Participating Addendum. Any waiver by the Lead State, Participating Entity, or Purchasing Entity must be in writing. Waiver by the Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Order shall not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, Participating Addendum, or an Order.

6.12. Debarment

The Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (Contract) by any governmental department or agency. This certification represents a recurring certification made at the time any Order is placed under this Master Agreement. If the Contractor cannot certify this statement, attach a written explanation for review by the Lead State.

6.13. Indemnification

6.13.1. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO Cooperative Purchasing Organization LLC (doing business as NASPO ValuePoint), the Lead State, Participating Entities, and Purchasing Entities, along with their officers, agents, and employees as well as any person or entity for which they may be liable, from and against third-party claims, damages or causes of action including reasonable attorneys' fees and related costs for any death, injury, or damage to real or tangible property arising from negligent act(s), error(s), or omission(s) of the Contractor, its employees or Subcontractors or volunteers, at any tier, relating to the performance under this Master Agreement.

6.13.2. Indemnification – Intellectual Property. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO Cooperative Purchasing Organization LLC (doing business as NASPO

ValuePoint), the Lead State, Participating Entities, Purchasing Entities, along with their officers, agents, and employees as well as any person or entity for which they may be liable ("Indemnified Party"), from and against third-party claims, damages or causes of action including reasonable attorneys' fees and related costs arising out of the claim by such third-party that a Contractor-branded Product or its use, infringes Intellectual Property rights owned by such third-party ("Intellectual Property Claim"). If such a claim is made or appears likely to be made, Contractor may enable Purchasing Entity to continue to use the Product, or to modify it, or replace it with one that is at least functionally equivalent. If Contractor determines that none of these alternatives is reasonably available, such Purchasing Entity agrees to return the Product to Contractor on its written request. Contractor will then give such Purchasing Entity a credit equal to:

- a) For Equipment, such Purchasing Entity's net book value provided it has followed generally-accepted accounting principles; and
- b) For software, the amount paid by such Purchasing Entity for it or twelve (12) months' charges (if subscription-based software).

6.13.3. The Contractor's obligations under this section shall not extend to any combination of the Product with any other Product, system or method, unless the Product, system or method is:

- a) Provided by the Contractor or the Contractor's subsidiaries or affiliates;
- b) Specified by the Contractor to work with the Product;
- c) Reasonably required, in order to use the Product in its intended manner, and the infringement could not have been avoided by substituting another reasonably available Product, system or method capable of performing the same function; or
- d) It would be reasonably expected to use the Product in combination with such Product, system or method.

6.13.4. The Indemnified Party shall notify the Contractor within a reasonable time after receiving notice of an Intellectual Property Claim. Even if the Indemnified Party fails to provide reasonable notice, the Contractor shall not be relieved from its obligations unless the Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to the Contractor. If the Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it shall have control over the defense and settlement of it. However, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible. The Indemnified Party shall furnish, at the Contractor's reasonable request and expense, information and assistance necessary for such defense. If the Contractor fails to vigorously pursue the defense or settlement of the Intellectual Property Claim, the Indemnified Party may assume the defense or settlement of it and the Contractor shall be liable for all costs and expenses, including reasonable attorneys' fees and related costs, incurred by the Indemnified Party in the pursuit of the Intellectual Property Claim. Unless otherwise agreed in writing, this section is not subject to any limitations of liability in this Master Agreement or in any other document executed in conjunction with this Master Agreement.

6.14. No Waiver of Sovereign Immunity

6.14.1. In no event shall this Master Agreement, any Participating Addendum or any Contract or any Purchase Order issued thereunder, or any act of a Lead State, a Participating Entity, or a Purchasing Entity be a waiver of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court.

6.14.2. This section applies to a claim brought against the Participating State only to the extent Congress has appropriately abrogated the Participating State's sovereign immunity and is not consent by the Participating State to be sued in federal court. This section is also not a waiver by the Participating

State of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

6.15. Governing Law and Venue

6.15.1. The construction and effect of this Master Agreement shall be governed by the laws of the Lead State. Venue for any administrative or judicial action relating to this Master Agreement shall be in the City and County of Denver, Colorado.

6.15.2. The construction and effect of any Participating Addendum or Order against this Master Agreement shall be governed by and construed in accordance with the laws of the Participating Entity's or Purchasing Entity's State.

6.15.3. If a claim is brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for (in decreasing order of priority): The Lead State for claims relating to the procurement, evaluation, award, or Contract performance or administration if the Lead State is a party; the Participating State if a named party; the Participating Entity state if a named party; or the Purchasing Entity state if a named party.

6.16. Assignment of Antitrust Rights

Contractor irrevocably assigns to a Participating Entity any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws (15 U.S.C. § 1-15 or a Participating Entity's state antitrust provisions), as now in effect and as may be amended from time to time, in connection with any Goods or Services provided to the Contractor for the purpose of carrying out the Contractor's obligations under this Master Agreement or Participating Addendum, including, at a Participating Entity's option, the right to control any such litigation on such claim for relief or cause of action.

6.17. Contract Provisions for Orders Utilizing Federal Funds

Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery. These federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.
