### **Richard Becker – Kitsap County Veterans Services:**

Richard shared information outlining the purpose of the Veterans Advisory Board (VAB) along with what was accomplished in 2023, and their goals going forward into 2024. Richard emphasized that the VAB is chartered to advise County Commissioners on matters affecting local indigent veterans. Over 700k is allocated for the assistance of indigent veterans and their families in 2024, which is an increase from 2023 due to anticipated higher demand and revenue projects. There are five major activities the VAB supports, which include:

- Veterans Assistance Fund (VAF) – The Kitsap County Department of Human Services administers the VAF for veterans in need. The money comes from a small portion of property taxes to provide assistance to veterans and their families.
- Unforgotten Run to Tahoma – Held on the Saturday of Memorial Day weekend, which includes a ceremony honoring veterans who haven't been claimed by family members. This is followed by a funeral procession to Tahoma National Cemetery in Kent.
- Spring and Fall Stand Downs – Takes place in April and September at the Sheridan Park Community Center, which is open for veterans and their families. This event offers medical and dental screenings, distributes food, general merchandise, Women's group bags, and camping gear to the homeless living outdoors.
- Veterans Garden – Relocated in 2023 to Port Orchard, Veterans Garden provides a safe and convenient location where veterans can grow produce for their homes. The 2023 vegetable harvest was donated to Kitsap food banks.
- Operation Green Light – The National Association of Counties (NACo) initiative in 2022 for county governments to visibly show support for local veterans by displaying green lights on government buildings the week surrounding Veterans Day.
