

# HOMES FOR ALL

## Data Sub-Committee

May 2, 2017

### Meeting Highlights

#### ATTENDEES

Rochelle Doan, Kitsap Mental Health Services  
Bridget Callahan, Housing Solutions Center  
Kurt Wiest, Bremerton Housing Authority  
Kirsten Jewell, Kitsap County Human Services  
Amy Musselwhite, Kitsap County Human Services

#### Purpose of Committee

Develop and present data and information to the Homelessness Coordinating Committee to assist in determining where to devote time and resources with greatest impact. In addition, these materials will help with providing information to the public.

#### Discussion Topics

##### ❖ Current Projects: Progress and Next Steps

- Mission & Methods of Homeless Coordinating Committee Member organizations
  - Complete at this time.
- Updated Matrix of Homeless Housing Gaps
  - Essentially complete at this time. Bridget will confirm whether Oxford House allows pets, and Kurt acknowledged that there will be new properties to add to the multi-family list.
- Geographic Map of Density of Poverty/Social Service Locations/Transit
  - Complete at this time, and additional service locations will be added to the next version. Laminated poster-size copies are available to loan for presentations, and high-resolution PDFs can be emailed, as well.
- Homelessness Diversion Opportunities Chart
  - On hold. Group will shift focus to housing needs projection.

##### ❖ Future Projects: Progress and Next Steps

- Housing Need Projection: High level projection in three categories:
  - Affordable Housing - Kirsten will begin formulating a draft overview based on income, cost, and current availability
  - Specialty Housing - Permanent Supportive Housing for a variety of needs. Rochelle will begin compiling data from existing KMH studies.
  - Temporary Housing : Shelter beds, tiny homes
- Asset Map: Updated Graphic of Housing/Services Inter-connections (with specific orgs) - Tabled
- Comprehensive List of Existing Data and Sources related to homelessness and affordable housing - Tabled

#### NEXT STEPS

Group will begin working on high level housing needs projections for affordable housing, specialty housing, and temporary housing.
